## **Explanation**

This amendment strikes section 2 and section 52 which removes the requirement for the State Contracting Standards Board (SCSB) under the Office of Governmental Accountability (OGA) to hire five employees and eliminates the appropriation of \$467,055 for the SCSB.

The amendment also modifies the language in section 4 which allows, instead of requires, the SCSB to employ necessary employees. This results in a potential annual cost of up to \$454,355 to the OGA for salaries in FY 23 and FY 24.

The amendment also removes quasi-public agencies from privatization law and makes various technical and conforming changes which result in no fiscal impact to the state.
